[redacted]

General Cabell:

[redacted]

b) Observed that at the previous OCB meeting, Mr. George Allen had strongly supported a proposal to invite the Chief of Staff of the Soviet Air Force to the U.S. for a visit and briefing at SAC Headquarters by way of reciprocation for General Twining's visit to the USSR. It was finally decided, however, that no invitation should be issued at the present time.

Mr. Wisner:

Stated that Mr. Fred Merrill of Bill Lacy's Cultural Exchange Staff in the State Department has been insistent that CIA supply to the Department a written statement that CIA will not contact any American students going to Russia under the exchange programs either before their departure or subsequent to their return. Mr. Dulles and the others present agreed that we would give no such written statement.
